OUR NEWS

Matthew 19 v 14

Jesus however said, "Let the little children come to me, and do not hinder them; for it is to those who are childlike that the Kingdom of the Heavens belongs."

"Play is our brain's favourite way of learning" Diane Ackerman

Life Lessons

Learning to take care of our belongings and serving and helping others are important life skills. Our Dutch visitors are teaching our kids these skills by giving the responsibility of watering pot plants to our toddlers. Each toddler takes a turn to prepare morning snack and to serve it to their friends. The kids are loving the whole exercise and their faces beam with excitement to be trusted with these chores.

Beach Time

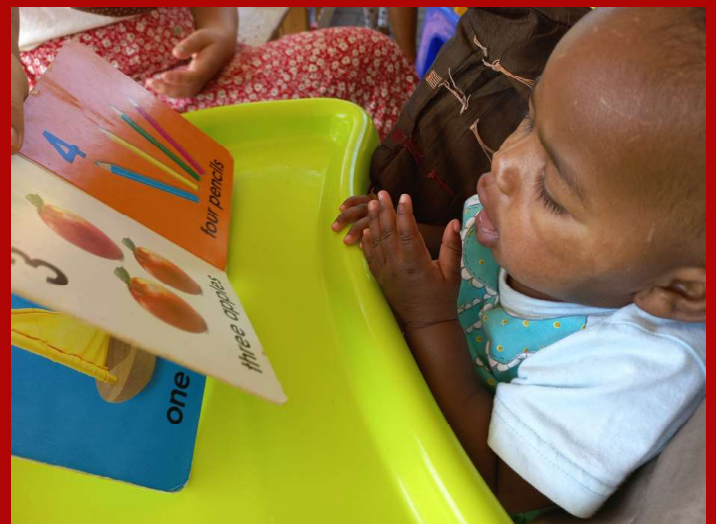

Enjoying some beach time and catching a little sunshine at Alkanstrand. School is almost done for this year so the the kids will enjoy a few more days of fun, sun and sea in their summer break!

Happy Birthday Baby Girl

We are so proud of this little girl and all she has accomplished in just one year and celebrating her 1st birthday was a real special occasion! We simply love blessing each child with a cake, gift and party to show them just how valuable they are!

For the Love of Reading

A love of reading opens the door to adventures, learning new things and a whole host of key language skills such as speech development and vocabulary building. Spending time with books creates special moments for us to bond with each child and enjoy each other's company. Starting from a tender age stimulates curiosity, engages their attention and gives them sitting time for increased core strength.

Staff Team Time

As a team we absolutely look forward to and enjoy our year end team building time together. We have had so many exciting and memorable trips and events and continue to reminisce and share these moment. Thank you to the sponsors who make these happen! This year we went to Adventure Valley for an Amazing Race and Zipline experience. This was mind blowing for some while others faced their fears of heights. We highly recommend this venue for your staff or family to bond and enjoy a thrill.

A PERSONAL NOTE

Dear friends

School will be closing soon and our summer holidays will be welcomed by the kids! We are spending Christmas day at Bella Mia Ranch with pony rides and other fun activities planned. The little Christmas elves have been hard at work and the kids gifts are looking fantastic. We just know that they will be thrilled with their goodies! Ezemvelo has agreed to a visit to Hluhluwe Game Park and Heritage Tours is sponsoring a Hippo Cruise at St Lucia. Four teenagers are heading to One Conference in Pietermaritzburg. Please join us in praying that they have a personal encounter with God our Father and that the Holy Spirit begins to prepare their hearts for all God has for them to receive! So our kids have an exciting holiday ahead.

We are looking for a tutor to help with homework and grade 8 learners in 2023. Are you available, passionate about education and helping vulnerable children to reach their full potential? If yes, then we are looking for you!

Our homes require some general maintenance. If you are a handy man and have time to spare or are keen to contribute financially please reach out to us.

We will have staff on leave over the festive season. Please bear with us if we are slow to respond to emails and calls.

With love from
