

OUR MONTHLY RECAP

MAY 2024

“He predestined us for adoption to sonship through Jesus Christ, in accordance with his pleasure and will” Ephesians 1:5 NIV

Toddler Time

Our new ECD classroom is up and running. The 3-4 year olds are kept occupied and entertained with a variety of stimulating arts and crafts and activities. Here you can see them learning data handling, colours, shapes, laws of gravity, sharing and exercising both fine and gross motor skills. Learning is such fun!

NUTS...

Surrounding our property are farm lands giving us great space for adventures. While out the little ones bring home a nut or two to smash open with a rock. Even the 2 year olds have mastered the technique!

School Events

World Book Day and Career Day gave the learners opportunities to dress up and get creative.

Handy Man

Teaching life skills around the home will stand the boys and girls in good stead as they grow into fine young adults. They are involved in helping out with the younger siblings, food prep and cooking, cleaning the home and washing dishes, laundry and even some home maintenance.

We would love a handy man to join us once or twice a month to teach the boys how to service their bikes, change a car tyre and some basic woodwork and home maintenance. If you would like to invest quality time into skills development, we would love to hear from you!

Birthday Celebrations

St Catherine's Fun Day

Annually, Debby and her team, from St Catherine's Pre Primary, invite our kids to enjoy a family Fun Day with them. This is a highlight event that we hope to never miss! If you lost out this time make sure to like and follow St Catherine's School so you get the event reminder next year! What a lot of fun we had!

A Personal Note

Dear friends of iKhaya

Summer is behind us and the cooler days are most welcome and enjoyable. Our school learners are working tirelessly to wrap up the term as they write mid-year exams. The winter break is in sight and going to be a much deserved rest for all.

As you can see we have had an eventful month with the children being treated to outings, entertainment and parties. Without the support of the community we simply would not be able to achieve the level of care and opportunities we provide for the children of iKhaya. Thank you for being a part of our family and making a world of difference in the lives of many.

One Conference is One Life Church's annual youth conference in Pietermaritzburg over a period of 4 days. Young people from the ages of 13 – 18 from across the country come together with the sole purpose of meeting with Jesus in a real and impactful way and we have 4 teens wishing to attend. To sow into the spiritual lives of the teens please reach out to us.

Our AGM will be held on Monday 22 July and we extend an open invitation to all who are interested in iKhaya. Keep an eye out on social media for the details or contact me for more information.

The APCM international volunteer program runs from September to July each year. Fee, Rebecca and Danielle will be leaving us in July and Karolin and Sophie join us at the end of August. We have space for one more volunteer, so if you are interested or know anyone who is please email us for an application. Locals are welcome too.

Greetings,
Loressa, staff and kids
